About DP World

DP World is the leading provider of smart logistics solutions, enabling the flow of trade across the globe. Our comprehensive range of logistics services encompasses a broad spectrum of integrated supply chain segments – from maritime and overland terminals to marine, logistics and ancillary services, as well as technology-driven commercial solutions.

We provide these services through a portfolio encompassing more than 150 operations in over 50 countries across six continents, giving the company a significant presence in both high-growth and mature markets. Wherever it operates, DP World integrates sustainability and responsible corporate citizenship into its activities, striving for a positive contribution to the economies and communities where we live and work.

This contribution is delivered by our dedicated, diverse and professional team of more than 50,000 employees from over 120 countries, offering value propositions of unrivalled quality to our customers and partners. Without exception, our focus is on mutually beneficial relationships – with governments, shippers, traders, and other stakeholders along the global supply chain – relationships built on a foundation of mutual trust and enduring partnership.

With an unwavering commitment to think ahead, anticipate change, and deploy industry-leading technologies, DP World aims to create the smartest, most efficient and innovative trade solutions on Earth, while ensuring a positive and sustainable impact on the economy, society and our planet.
