About DP World:

We are the leading provider of worldwide smart end-to-end supply chain logistics, enabling the flow of trade across the globe. Our comprehensive range of products and services covers every link of the integrated supply chain – from maritime and inland terminals to marine services and industrial parks as well as technology-driven customer solutions.

We deliver these services through an interconnected global network of 127 business units in 51 countries across six continents, with a significant presence both in high-growth and mature markets. Wherever we operate, we integrate sustainability and responsible corporate citizenship into our activities, striving for a positive contribution to the economies and communities where we live and work.

Our dedicated, diverse and professional team of more than 56,000 employees from 134 countries are committed to delivering unrivalled value to our customers and partners. We do this by focusing on mutually beneficial relationships – with governments, shippers, traders, and other stakeholders along the global supply chain – relationships built on a foundation of mutual trust and enduring partnership.

We think ahead, anticipate change and deploy industry-leading technology to further broaden our digital vision to disrupt world trade and create the smartest, most efficient and innovative solutions, while ensuring a positive and sustainable impact on economies, societies and our planet.
