MEMO

Subject: Mandatory Annual DP World Vancouver Street Truck Drivers Orientation

Ensure you review this information as it pertains for DP World Vancouver

Please note an annual DP World Vancouver safety and security orientation is a mandatory requirement for street truck drivers seeking access to DP World Vancouver terminal.

Our DP World Vancouver Street Truck Orientation can be accessed via ComplyWorks, please use the web link and code below.

Upon completion, please print off the certificate as proof of completion and bring that or a photo of the certificate with you to the terminal. The Security team at the DP World Vancouver entrances gates will carry out spot checks to verify compliance.

The orientation link is the following: <https://new.complyworks.com/orientation.php>

Street Truck Orientation Code: **EUMEKS**

QR code:

Please note: This course works best in Chrome and Firefox browsers but will also work from a cellular phone. Once you complete the course please click on the Home Icon/"Return to LMS" button, located towards the top right, to review your results and print a certificate.

We thank you in advance for your cooperation and assistance in ensuring the safety and security for the trucking community accessing the terminal.

Thank you,
Safety and Security Team
