

DP WORLD

Environmental Advisor

In April 2016, **DP World Limassol** was awarded a 25-year concession to exclusively operate the multi-purpose and Cruise terminals in Limassol commencing February 2017. The terminal's activities, comprising of three multi-purpose quays, include break-bulk, general cargo, Ro-Ro, Oil & Gas services and the cruise terminal.

We are looking to recruit an Environmental Advisor to join the Health, Safety, Environment and Quality (HSEQ) team, with the main responsibilities as below:

- Advising on and direct support of all Environmental related activities and process across the Port;
- Assist and support the HSEQ team to ensure continuous monitoring of the Environmental, equipment and processes to ensure compliance with HSEQ regulations and industry standards
- Ensure that the Environmental plan and related assessments are kept up to date in accordance with relevant Environmental regulations and the law.

The successful candidate will have the following:

- Holder of Environmental qualifications (i.e. IEMA, NEBOSH, etc.)
- Associate member of a professional body (i.e. SocEnv)
- Auditing qualification (i.e. ISO 14001)
- Strong understanding of core environmental principles and regulations
- Minimum of 3 years of previous experience in a similar role
- Previous experience in the port or shipping industry will be considered an advantage but not a requirement, as full training will be provided
- Good organizational skills with attention to detail
- Excellent verbal and written communication and interpersonal skills
- Excellent computer skills and good knowledge of the English and Greek languages.

If you are interested to apply for this position, please send your CV to careers@dpworldlimassol.com or apply online at www.dpworldlimassol.com/careers by latest **11th September 2024**. All applications received will be treated in the strictest confidence.
