

No Smoking Policy

Purpose:

The aim of this Policy is to encourage a healthier and more productive environment to work in and also to avoid conflict in the workplace in accordance to the law as stated in the Prohibition of Smoking and Protection of Non-smokers Health Ordinance 2002.

Objectives:

The objectives of the Policy on Smoking in the Workplace are to:

- Ensure compliance with applicable legislation
- Protect non-smokers from involuntary exposure to secondhand (passive) smoking
- Establish a smoke-free environment for non-smoking staff members, visitors and clients
- Regulate where smoking is and where smoking is not permitted.

Responsibility:

The top management shall be responsible for facilitating the implementation of this Policy and monitoring adherence at all levels. The Human Capital & HSE Department shall be responsible for review of concerns, complaints, or questions about the application of this Policy referred to them by management or staff.

Definitions:

- **'Smoking'** means smoking of tobacco in any form, whether in the form of cigarettes, cigar or otherwise with the aid of a pipe, wrapper or any other instrument; this includes vaping as well.
- **'Tobacco product'** means any product manufactured or derived/extracted from tobacco and intended to be smoked or intended for use by smoking, inhalation and/or sniffing
