## WHY CHOOSE US?

### 1. VELOCITY

Fast access to cargo drives traction and control, and increased speed to market and agile response to demand changes, enhancing final mile customer service levels

### 2. SUSTAINABILITY

Port-centric warehousing means less distance travelled from port to warehouse, faster turnaround for equipment and less CO2 emitted. We can offer low carbon or electric routing.

### 3. FLEXIBILITY

Direct access from port to logistics park avoids road congestion and reduces time to warehouse.

### 4. EFFICIENCY

Improved efficiency - helping customers requiring cargo flow or optimisation prior to onward distribution into the UK
