REEFERS

AT OUR UK TERMINALS

We handle more than two-thirds of all the UK's imported deep sea reefer cargo through our two ports, London Gateway and Southampton* - giving you the resilience to keep your cold chain moving on time, every time.

RESILIENCE FOR YOUR COLD CHAIN

- Over two-thirds of all deep sea imported, temperature-controlled cargo enters the UK through London Gateway and Southampton*
- Connecting the UK with 45 weekly services, offering global connectivity
- Our two terminals combined offer over 3,700 reefer plugs - the largest capacity in the UK
- London Gateway and Southampton operate 24/7
- We have invested over £12 million in our reefer capacity

QUICKER MARKET ACCESS

- London Gateway is 10 miles from the M25; with even closer access to the A13 and 28 miles from Central London - Europe's largest consumer market
- Southampton is less than 2 miles from the M27 and you access the A34 which provides an alternative to the motorway
- Sunday collections at Southampton provide a bespoke service for fresh produce importers, ensuring goods get to market quicker

**YOU'VE GOT THE VISION,
WE'VE GOT THE INFRASTRUCTURE.**

FIVE REASONS TO CHOOSE US

1. CAPACITY

We have the largest reefer capacity in the UK - and we can switch volumes between our ports offering even greater flexibility

2. GOVERNMENT AND TRADE BODIES

We work closely with key government agencies and industry bodies to speed entry to the UK market

3. INTEGRATION

We add value to your supply chain by integrating our full service offering, keeping your cold chain flowing

4. SERVICE

We have a dedicated refrigerated product team that can give tailor-made advice on all aspects of supply chains for perishables

5. VISIBILITY

We provide real-time visibility of your cargo, giving you its status and location through our tech-led solutions, such as 'Where's My Container?'

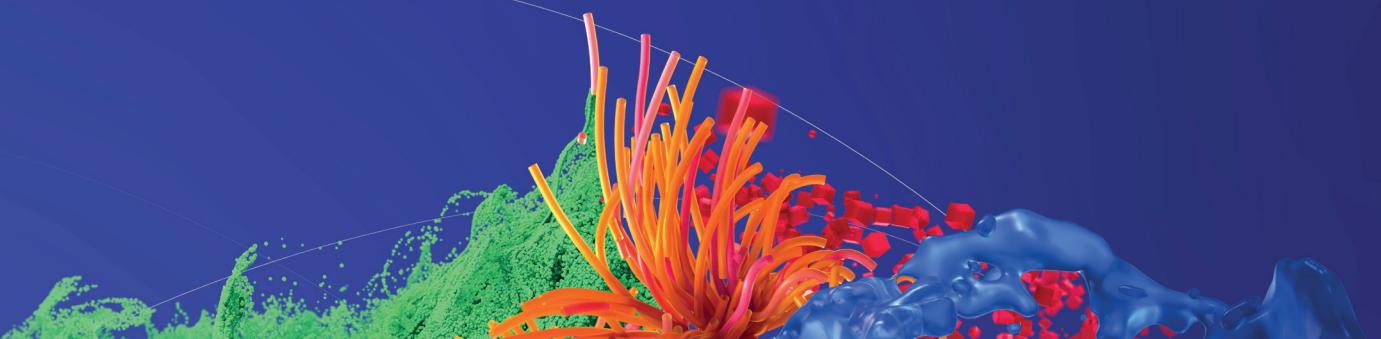

WE'RE MOVING YOUR COLD CHAIN FURTHER

We work closely with key government agencies and industry bodies to smooth entry of your cargo into UK, including:

- DEFRA
- Port Health
- International Meat Trade Association
- Fresh Produce Consortium
