

Subject: CCS Go Live

Dear Valued Customer,

We are pleased to announce, the first phase of the implementation of CCS (Cargo Community System), the highly automated platform that will not only simplify the generation of quotes, but will also offer a host of other features, as previously highlighted.

If you haven't already registered, please visit the following link: <https://gl-community.dpworld.com/> and carefully follow the provided instructions.

The implementation of the CCS system initially scheduled for 8th January has been changed and will now take place on 15th January at 07h00.

From that date onwards, all services relating to FULL IMPORT containers must be generated exclusively through CCS.

We express our sincere appreciation for your cooperation, it holds high esteem for us. We genuinely hope that you find our services satisfactory.

Should you have any questions or require assistance, please feel free to contact us at:
