

Maputo, August 01st 2022

To our valued Supplier partner,

DP World invites your Company to join our new Supplier Registration and E-tendering system

Background Information

DP World is an Emirati multinational logistics company based in Dubai, United Arab Emirates. It specialises in cargo logistics, port terminal operations, maritime services, and free trade zones. In 2006 DP World acquired P&O and in 2008 MIPS was renamed to **DP World Maputo**. DP World Maputo has the concession to manage, develop and operate the Maputo container terminal until 2043.

Purpose of this Invitation

It is DP World's responsibility to ensure that everything we source follows our Code of Conduct. To accomplish transparency within the Procurement process in the 21st century, DP World has migrated to an **online Supplier Registration and Pre-Qualification system**. This system will now become the new standard for suppliers supplying to DP World and your company is being invited to join.

To become a registered supplier, we invite you to follow the process below:

- Complete the initial online supplier registration.
- It will take approximately 20 minutes to complete and should most likely be done by the account manager.

Please click [here](#) to access our system.

The system will assess your company's profile based on the information provided and if your company is identified as critical on pre-defined criteria we have set, you will be asked to participate on our tenders.

Please ensure the correct submission of information is inserted during the registration process. It is important that supporting documentation is attached, as well. This includes, but is not limited to

- Company legal documents;
- Official bank account details;
- Certificates related to finance, health, safety and environment, quality management, insurance;
- List of products and services;
- Corporate Social Responsibility (CSR).
