

DP WORLD

SUPPLY CHAIN RESILIENCE

Whether your business is importing or exporting, we can offer customised, flexible off-dock container storage at our site at Southampton and at London Gateway.*

CREATING VALUE THROUGH FLEXIBILITY

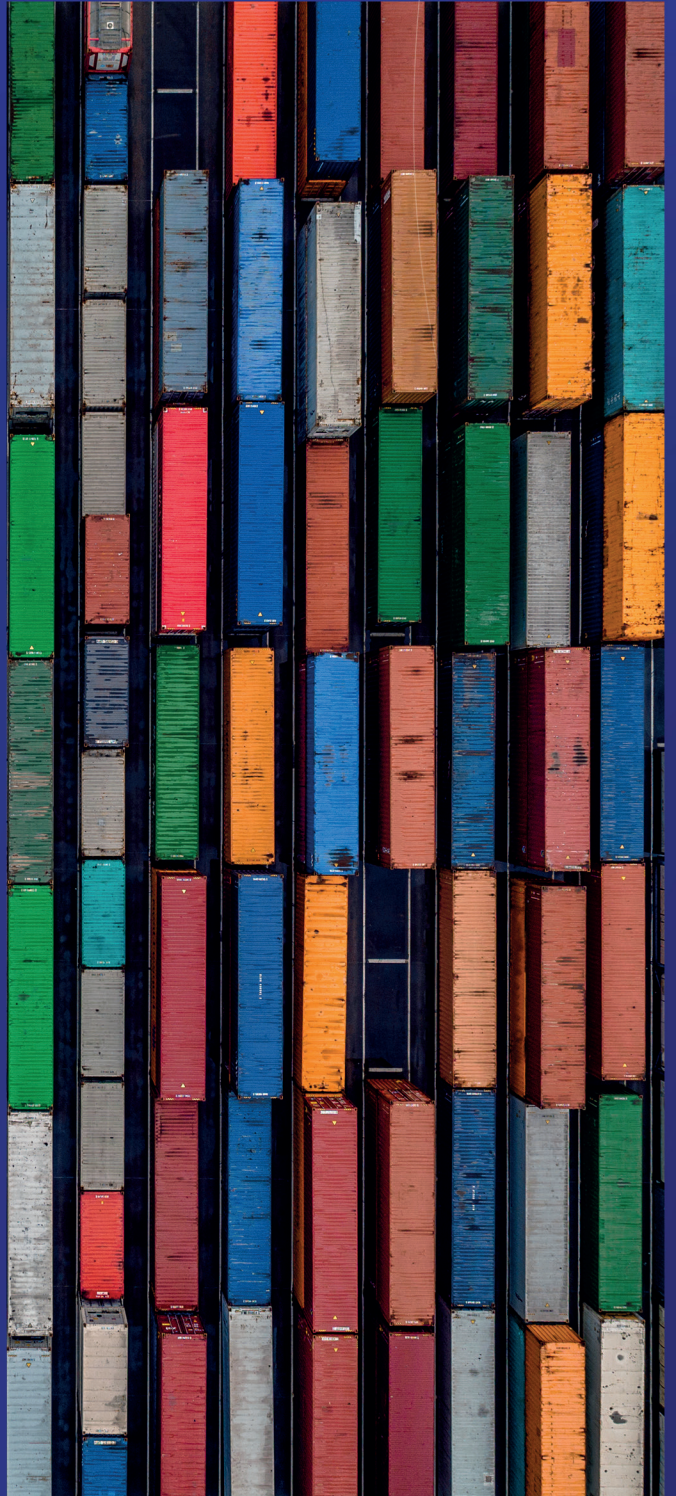

We can offer a variety of services to complement your supply chain and provide flexibility and resilience for import or export containers.

Our services include:

- Import container storage
- Early arrival export container storage
- Container shunting
- Container devanning to DP World owned containers*
- Inventory management

Q2 2023**

* From Q2 2023

**YOU'VE GOT THE VISION,
WE'VE GOT THE INFRASTRUCTURE.**

REASONS TO CHOOSE US

LOCATION, LOCATION, LOCATION

Our facilities are within the DP World terminal footprint. We can offer the quickest and closest access to the quay. Minimise port to storage transportation miles and container multi-handling.

SAFETY

We keep your containers secure in off-dock facilities fitted with ISPS grade fencing, lighting towers and onsite security personnel.

RAIL LINKS

Both of our sites have access to rail terminals, giving customers the flexibility to move containers between inland depots and the port.

ROAD LINKS

London Gateway and Southampton have local access to the motorway network.

OUR INTEGRATED PORT-CENTRIC SOLUTIONS FOR YOUR SUPPLY CHAIN

Our container storage services link into our portfolio of solutions. Giving you access to a wide range of supply chain solutions all through a single point of contact.
