

DP WORLD

INDIA-UK TRADE WITH DP WORLD

We have created a high-quality integrated business - two deep water ports with freight rail terminals at London Gateway and Southampton, a rapidly expanding logistics park and an advanced software business providing online links to customers and border control.

With this, we provide the right trading infrastructure and smart logistical solutions for our customers.

1. EFFICIENCY

To keep your goods moving and to reduce dwell times, saving your business time and boosting cost efficiency

2. WAREHOUSING AND STAGING

At London Gateway, sitting only 28 miles from central London, we offer warehousing and staging facilities with access to primary UK road and rail networks

3. INTEGRATED SERVICES

Our assets in both countries can be linked together via our end-to-end service offerings, providing access to a comprehensive trade infrastructure for moving your goods between these markets

ACCESS TO UK MARKET

We are the only port provider in the UK that operates two deep water container terminals. Offering operational efficiencies to improve resilience to your supply chain.
