

DP WORLD

OCEAN FORWARDING

We are at the heart of Britain's trading future. We enable customers to move goods smoothly and efficiently in and out of the UK and across their supply chains, all through a single point of contact. Our customers benefit from the unique offering of two deep water ports at Southampton and London Gateway. With easy access to freight rail terminals and a rapidly expanding logistics park on the doorstep of the capital.

SERVICE BUNDLING

Our full range of services can be selected individually, bundled and customised to meet your preferences.

- Freight management
- Ocean freight FCL/ LCL
- Buyers consolidation
- Export shipping hub
- Temperature sensitive cargo
- Import warehousing
- Container storage
- Transportation
- Digital visibility
- Customs clearance

Standing behind our business in the UK is DP World, the leading provider of smart logistics solutions, helping trade flow across the globe. We now handle 10 per cent of world trade and are committed to continue investing in the UK.

ACCESS TO UK MARKET

We are the only port provider in the UK that operates two deep water container terminals. Offering operational efficiencies to improve resilience to your supply chain.

POSSIBILITY IS JUST A QUESTION OF LOGISTICS

REASONS TO CHOOSE US

1. FLEXIBILITY

We own a wide range of assets across the supply chain that can be utilised to keep your goods moving on time. Offering greater agility to respond to changing needs

2. VISIBILITY

Enjoy the reassurance of our end-to-end visibility with our technology driven products; CARGOES Flow and Where's My Container?

3. INTEGRATION

We add value to your supply chain by integrating our full end-to-end service offering to keep your cargo moving

4. ONE POINT OF CONTACT

Having a single point of contact means our customers benefit from a clear and manageable information flow, improving efficiencies and building trust

OUR INTEGRATED PORT-CENTRIC SOLUTIONS FOR YOUR SUPPLY CHAIN

Our ocean forwarding services link into our entire portfolio of integrated solutions - giving you access to a wide range of supply chain solutions all through a single point of contact.
