DP WORLD

Security Policy

Introduction

- DP World – Karachi, a leader in International port terminals at Karachi is committed to adopt DP World Corporate Security Policy Circular revision 11 dated **March** 2023 and ensure a culture of security mindset which become part of our normal working practice. As evident from our Group Security Policy, DP World, Karachi has adopted a common approach to security and Security Management in line with ISPS Code and ISO 28000.

Purpose

The primary purpose of the Group Security Policy is to:

- This policy has been established to provide a safe and secure work place and to protect all those affected by its activities and to avoid or minimize any adverse security impact of its businesses. While the Chief Executive Officer holds ultimate responsibility for the implementation of this policy at all levels of the organization, which concerns for the security of our employees, customers, assets, future growth in the best interest of DP World – Karachi including its outer locations, NLCT, ODT, IC3, CFS, ICD at Lahore and all stake holders and supply chain customers.

Objectives

Focused on continual improvement of security performance, will be achieved by adhering to the following security policy objectives:

1. Ensure compliance with all applicable local and international security regulatory and governmental requirements and/or initiatives including client specific security requirements where applicable.
2. Identify and evaluate security related risk and establish Security Management System (SMS) to reduce any or all quantified risks to an acceptable level utilizing proactive security risk assessment methods and security risk management programs.
3. Communicate relevant content of our Policy, where appropriate, to third party organizations, visitors and contractors enabling them to contribute to the protection of our business interest.
4. Monitor and enhance security by continual improvement of security performance by being proactive in planning and implementation duly scrutinized by regular audit and review of the security management system.

Policy Compliance

- Senior management will visibly uphold the principles of this policy and integrate them throughout DP World – Karachi, outer locations, NLCT and ICD Lahore. will review this policy and management system annually or in the event of a security incident that merits an immediate review, and, if needed, take action to maintain its compliance.
