# REEFERS AT LONDON GATEWAY

We are the market leading UK port for reefer capacity and reefer container throughput - giving us the resilience to keep your cold chain moving on time, every time.

## RESILIENCE FOR YOUR COLD CHAIN

- Half of all perishables imported through deep sea services into the UK come through London Gateway\*
- 28 weekly services
- Connecting the UK with 160 global ports
- We have invested over £10 million in our reefer capacity
- Over 2,500 reefer plugs
- 24/7 operation

## QUICKER MARKET ACCESS

- 10 miles from the M25 - and even closer access to the A13
- 28 miles from Central London - Europe's largest consumer market

**YOU'VE GOT THE VISION,  
WE'VE GOT THE INFRASTRUCTURE.**

# FIVE REASONS TO CHOOSE US

## 1. CAPACITY

We have the largest reefer capacity in the UK - and we can switch volumes to our sister port at Southampton offering even greater flexibility

## 2. GOVERNMENT AND TRADE BODIES

We work closely with key government agencies and industry bodies to speed entry to the UK market

## 3. INTEGRATION

We add value to your supply chain by integrating our full service offering, keeping your cold chain flowing

## 4. SERVICE

We have a dedicated refrigerated product team that can give tailor-made advice on all aspects of supply chains for perishables

## 5. VISIBILITY

We provide real-time visibility of your cargo, giving you its status and location through our tech-led solutions, such as 'Where's My Container?'

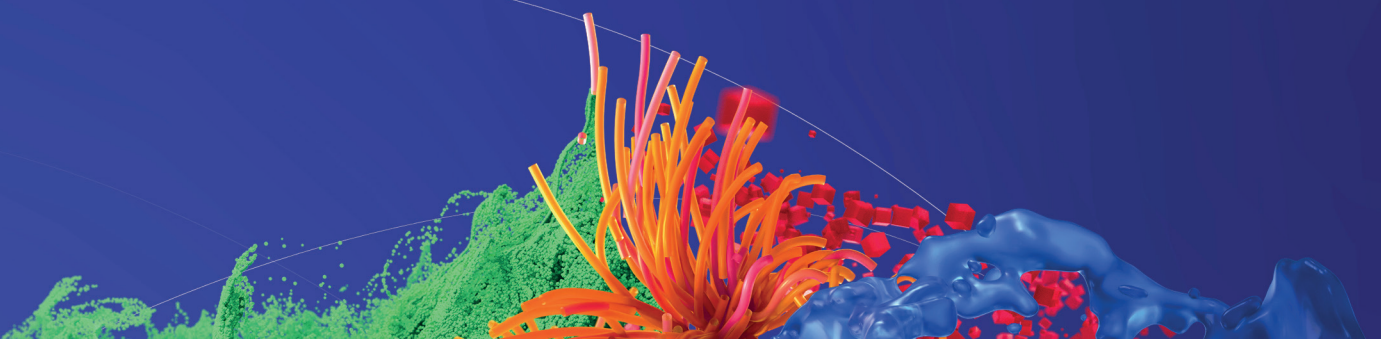

## WE'RE MOVING YOUR COLD CHAIN FURTHER

We work closely with key government agencies and industry bodies to smooth entry of your cargo into UK, including:

- DEFRA
- Port Health
- International Meat Trade Association
- Fresh Produce Consortium
