Definition of terms

Term	Definition
Special Service Request (SSR)	A request to change a piece of information or request additional services to the container whilst on site at the Port Premises, these requests are sent by the shipping line via CNS.
Priced on Application (POA)	The prices may differ and costs will be arranged on a case-by-case basis. We will seek acceptance of costs before proceeding with any work or service carried out.
Hatch Cover	Hatch covers or Lids separate the upper deck and lower deck of the vessels, we charge per move both off and back onto the vessels to be able to work the underdeck and upper deck levels.
Lashing	The securing of the containers when stowed onto the vessel
Twenty-foot equivalent Unit (TEU)	When charging by TEU the base rate will correspond to 20'ft containers, the rate will double for 40' container and unless otherwise stated treble for 45'ft containers.
Nested Flats	Empty flat-rack units stacked on top of each other (up to 4) these will be moved together as one single unit and charge one fee. So Full mainline rate refers to the pricing of moving up to x4 stacked flat racks as a bundle. We also charge for Bundling and unbundling these stack or nested flats to create or dismantle these bundles.
Port Premises	The container terminal at Southampton and any land thereon or adjacent thereto leased or otherwise occupied by the Supplier for the purposes of the Services.
IMDG	International Maritime Dangerous Goods containers not including Class 1 or Class 7
VGM	Verified Gross Mass
OCR	Optical Character Recognition
VBS	Vehicle Booking System
MSP	Modal Shift Programme

3 Vehicle Booking System Charges

3.1 Vehicle Booking System Process

A VBS Booking is required for all haulier collections / Deliveries at the Port Premises. Registrations for an account and subsequent bookings can be made here:

<https://vbspremium.dpworldsouthampton.com/Account/Login.aspx?ReturnUrl=%2fpremium%2fbooking.aspx>

Driver ID Cards

To comply with DFT rules and regulations, together with assisting haulage firms with the management of obtaining Driver ID Cards, please note the below:

Drivers MUST have the correct documentation to enter the Port Premises. Without this, entry will be refused.

- Temporary ID Card – Driving Licence
- Permanent ID Card – Two forms of ID are required. Driving Licence, plus passport, birth certificate, EU ID card, or Tachograph card.

Drivers are required to have either a Temporary or Permanent Driver ID Card to enter the Port Premises. Both Temporary and Permanent ID Cards can be requested at the Gate Service Office. The charge will be applied to the company that is linked to the Driver's VBS booking and will appear on the monthly invoice.

In order for Haulage companies to have visibility on Driver ID Charges being accumulated, an automated daily report is sent to registered hauliers via email.

Drivers arriving at the Port requiring a driver ID card should leave extra time for entering the Port Premises and follow instructions given by our security personnel.

All drivers arriving at the Port Premises must also have a valid VBS slot.

Annual Review:

All charges in this Public Tariff are subject to an annual review, effective from the 1st of January of each new calendar year.

Additionally, the Public Tariff (with the exception of Section 4.2. VBS Charges) will be annually increased by the October RPI All Items figure as advised by the UK Government's Office for National Statistics under table RPO4 / CZBH. This will be communicated at the start of December before taking effect in the following January.

The data set used for the RPI can be found at the following link:
