PORT SECURITY

Security is important at DP World Southampton to ensure the safety of our employees and visitors.

When visiting the terminal there are some important points to remember:-

- Please ensure you notify a representative of the company when you will be visiting.
- When visiting DP World Southampton please ensure you bring with you an official source of photographic ID, such as a passport or driving licence.
- You may be asked to participate in a personal search
- You will be issued with a site pass by Security at Reception, please ensure you wear this pass at all times while at the terminal. You may be asked to show your pass at various points around the terminal. This pass needs to be returned to Reception when leaving the terminal.

SMOKING SHELTER

SMOKING

There is a strict 'no smoking' policy in effect at DP World Southampton. However there are smoking shelters situated at various points around the terminal. The map opposite highlights the position of the shelter near the reception building. If you wish to smoke please ask your DP World Southampton Representative to show you where the most appropriate shelter is situated.
