## Vacancy Safety Inspector

### The role

DP World Paramaribo is looking for a dedicated **Safety Inspector** for the HSSEQ Department. The Safety Inspector will be responsible for monitoring, inspecting, and ensuring compliance with all Health, Safety, Security, Environment, and Quality (HSSEQ) standards within the terminal.

This includes conducting regular inspections, supporting safety audits, identifying risks, and implementing corrective actions to safeguard employees, equipment, and operations.

The Safety Inspector plays a critical role in cultivating a proactive safety culture, supporting continuous improvement initiatives, and ensuring compliance with both local regulations and DP World's global HSSEQ standards.

### Key Responsibilities

- Conduct regular inspections and audits across terminal operations to ensure compliance with HSSEQ standards.
- Identify potential hazards, investigate incidents, and recommend preventive measures.
- Support implementation of HSSEQ management systems and ensure documentation accuracy.
- Train and guide employees on safe work practices, emergency procedures, and risk awareness.
- Participate in risk assessments, toolbox meetings, and emergency drills.
- Ensure corrective actions from audits and inspections are effectively implemented.
- Report findings, trends, and recommendations to HSSEQ leadership.
- Promote a strong safety culture across all levels of the organization.
