# INTRODUCTION

## DP World- Change What's Possible

We are the leading provider of smart logistics solutions, enabling the flow of trade across the globe. Our comprehensive range of products and services touches every aspect of life.

Wherever we operate, we integrate sustainability and responsible corporate citizenship, striving for a positive contribution to the economies and communities where we live and work.

# OUR WORLD, OUR FUTURE

We focus on making a positive economic and societal impact wherever we work.

Our World, Our Future is our global program to bring sustainability into every aspect of our work. It helps us to work in a responsible way that prioritizes sustainability and impact on the people, communities and environment in which we operate.
