JEBEL ALI PORT

Nurturing trade, geared for growth

DP World is one of the largest marine terminal operators in the world with more than 65 terminals across 6 continents. Its dedicated, experienced and professional team of nearly 28,000 people serves customers in some of the most dynamic economies in the world. DP World aims to enhance customers' supply chain efficiency by effectively managing container, bulk and other terminal cargo. The company constantly invests in terminal infrastructure, facilities and people, working closely with customers and business partners to provide quality services today and tomorrow, when and where customers need them.

Jebel Ali Port, DP World's flagship facility, handled 13.3 million TEU in 2012. Development of a new 4 million TEU terminal takes the total handling capacity of Jebel Ali Port to 19 million TEU by 2014.

Jebel Ali Port

Jebel Ali Port is amongst the leading poly-functional marine hubs in the world. The terminal is the largest between Rotterdam and Singapore having handled 13.3 million TEU in 2012. Aiming to enhance supply chain efficiency, Jebel Ali Port nurtures trade, provides unrivalled connectivity and global reach.

- Ranked as 9th top Container Port Worldwide by Liner Intelligence
- Able to handle the next generation of mega container vessels
- Fitted with tandem lift gantry cranes, a DP World innovation
- Technology-driven initiatives, such as the automated gate system and RFID for hauliers
- DP World's online business portal, Dubai Trade, offering an e-suite of over 800 services
- Integrated multi-modal hub offering sea, air and land connectivity
- 90 plus weekly services connecting to over 100 ports worldwide
- Jebel Ali catered to 170 lines and received over 12,500 vessel calls in 2012
- C-TPAT certification – the first international marine terminal operator to be a member of the US Government's Customs-Trade Partnership Against Terrorism
