

DP WORLD

FAST TRACK CARGO ACCESS

Offering customers a quick solution to meet critical delivery requirements for priority cargo.

24-HOUR TURNAROUND

Customers can select a premium inspection slot for containers and/or uncapped VBS slots for collections offering same day inspection and haulage capabilities to meet supply chain commitments.

Ideal for high priority cargo in assisting customers to allow pro-active planning reliability within your supply chain. Offering customers a solution to meet critical delivery requirements for priority cargo.

SAME DAY INSPECTION

SAME DAY COLLECTION

**TRUST US TO KEEP YOUR
GOODS MOVING**

THREE QUICK AND SIMPLE STEPS

1. Contact our dedicated team, ideally prior to arrival, to request your required date of inspection and/or collection
2. Your container is selected and presented for inspection and transferred to a dedicated fast track area with an open 24-hour VBS capability
3. You can secure end delivery slots in advance, comfortable in the knowledge collection can be achieved as scheduled

**YOU'VE GOT THE VISION,
WE'VE GOT THE INFRASTRUCTURE.**

MEETING YOUR CRITICAL SUPPLY CHAIN NEEDS

Our market-leading premium services provides customers the ability to prioritise cargo for inspection allowing for prompt clearance and open collection slots for haulage.

With Fast Track VBS capability, which enables a collection time to suit customers - streamlining the movement of cargo and helping you to get your priority goods to their final destination as planned, safe in the knowledge that cargo will be processed and ready for collection on a pre-agreed date.

With our premium inspection and/or VBS we are adding new layers of supply chain optimisation, offering customers a solution to meet critical delivery requirements for priority cargo.
