

New Procedure and Safety Rule on Hazardous Declaration Form

Ingate

Trouble booth is located in the Northeast side of the new DPW Building

1. Once the driver passed the Ingate, he/she needs to park his/her truck in Trouble booth and pick up the Hazardous Declaration Form.
2. Driver should have the Hazardous Form before picking up the Import Haz container.

Please park your truck on the Stop sign.

Trouble booth is right beside the First Aid Office.

Hazardous Forms is located beside the trouble booth swipe card machine. Please ensure to complete the signing sheet when picking up your forms.
